WORK EXPERIENCE

Frontend Developer

Influence Pro Services | Apr 2025 - Sep 2026 | Remote

- Developed and maintained 10+ web applications using React, TypeScript and Tailwind CSS. Worked mainly in teams and built some applications independently.
- Built 200+ landing pages from scratch based on design mockups, with responsive layouts, animations and interactive elements.
- Improved page speed by optimizing images and code with Lighthouse. Used semantic HTML, headings and meta tags for SEO.
- Promoted from an HTML/CSS development role to Frontend Developer.

Frontend Developer

EvoPlay (Outsourcing) | Jan 2025 - Mar 2025 | Remote

- Built about 20 landing pages using HTML, CSS/SCSS and JavaScript.
- Reduced development time from 8-12 to 4-6 hours per landing page after completing about 10 pages.
- Used Lighthouse to identify and fix performance issues.
